Fundamentals of Nursing Clinic

Planned, organized, and directed programs designed to promote and enhance hospital system strategic plans, health care worker professional growth, and patient safety. Assisted with the development and evaluation of nursing practice objectives to ensure local, state and federal regulatory compliance. As central educator served as facility Nursing Peer Review Chairperson, Performance Based Development System coordinator, and facilitated New Employee Orientation. Served as education resource for MICU, SICU, IMU, Observation Unit, Clinical Decision Unit, and Central Telemetry. Facilitated onboarding of new staff members. Served as Basic Dysrhythmia recognition, 12 Lead EKG, Basic Life Support and Advance Cardiac Life support instructor. Facilitated Acute Coronary Syndrome lecture for Critical Care Internship, coordinated annual Critical Care Skills Day, and Continuing Nursing Education Planner.

x Decreased employee turnover rate 25% in less than 6 months.

DMS Imaging ±Houston, TX
