

Program Requirements

Students must be in good standing with at least a 2.0 overall GPA.

This degree requires 18 distinct hours in each minor and 24 advanced in-residence hours, including INTG 3301 and INTG 4301.

Meet with a SAM Center advisor to declare your Bachelor of Science in integrated studies.

Possible Minors

Integrated students bind their minors in unique ways. We encourage students to share their interests with the program coordinator and explore the possibilities that the combination of SHSU minors offer.
