	B. Government-Wide Financial Statements
	The government-wide financial statements (i.e., the Statement of Net Position and the Statement of Activities) report information on all of the activities of the School. Governmental activities, which normally are supported by intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support. The School has no business-type activities.

	As part of obtaining reasonable assurance about whether the School's financial statements are free from materia misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and
	grant agreements noncompliance with which could have a direct and material affect on the determination
-	
_	
	<u></u>
	<u> </u>
_	
	financial statement amounts. However, providing an opinion on compliance with those provisions was not at objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under <i>Government Auditing Standards</i> .
	Purpose of this Report
	The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the
,	results of that testing and not to provide an opinion on the effectiveness of the School's internal control or or
