THE PERFORMANCE EVALUATION OF TENURED FACULTY (PETF) IN THE DEPARTMENT OF
KINESIOLOGY

The goal of the PETF, generally regarded as the *Post-Tenure Review*, is to encourage faculty to continue performing at an acceptable level regarding their teaching, scholarship, and service. The policy also serves to provide an opportunity for the tenured faculty to consider the scholarly, teaching, and service activities they will continue, and areas they choose to explore as they advance in rank at the university.
