Bill #23-04

Committee Budget Plan Action

Author: Veronica Calderon  
Sponsor: Veronica Calderon  
Date: November 14, 2023

Whereas: Sam Houston State University Student Government  
Official Voice of the Student Body and

Whereas: Current committees created upon the Student Body President are not required to create a yearly Budget plan in action.

Whereas: These Committees may receive an incorrect amount of financial resources from the SHSU's Student Government Association Budget.

This creates inefficiency or interfere with other committees or department's budget.

Whereas: Committee Chairs have the ability to see the amount of money that the president, treasurer and the student body at any time throughout the year.

Therefore: Current committees created upon the Student Body President are not required to create a yearly Budget plan in action.

Therefore: Said plan will be used to purchase supplies, materials, marketing, etc. pertaining to their specific committee.

Therefore: Committee Chairs will hold the ability to request more money from the president and treasurer at any time throughout the year.

Therefore: Current committees created upon the Student Body President are not required to create a yearly Budget plan in action.

Therefore: Current committees created upon the Student Body President are not required to create a yearly Budget plan in action.
