

**X to F Timeline**

**Question:** When does an X grade change to an F grade?

**Registrar Response:** At the end of the next long term (fall or spring) immediately following the position. The date of this process is typically the grade deadline date for that term. A grade change must be submitted by the end of the next long term (fall or spring) immediately following the position. The date of this process is typically the grade deadline date for that term. A grade change must be submitted by the end of the next long term (fall or spring) immediately following the position.
