

How to Register Not College Ready in Math

This howto register guide is for students who have TSI scores on file but are not college ready in Math. Students who are not college ready in Math are required to take an additional developmental Math course. Students should have their degree plan available with notes from the advisor indicating which courses the student should register for. At the end of this document on page 12 there are possible Registration Errors received and solutions.

[Math 1314, 1324, 1332, 1342, and 1384 have linked Math N0## sections.](#) For example, Math 1314 section 81 is linked to Math N014 section 01. Students must register for their Core Math and Developmental Math together, before registering for the rest of their courses.

First-time Freshman can qualify for Multiple Measures Assessment (MMA), see your advisor/ Degree Works for more details. [MMA Section Options](#)
