Unrelated Business Income Questionnaire

Purpose: to determine and report revenue-generating activities.

The following questions help the Finance Division determine whether or not your department's revenue-generating activity must be reported as taxable by the university on the university's tax return, the 990-T.

If you have questions, contact the Tax Specialist by email at cml018@shsu.edu or phone 294-1094.

I. Description of Activity.

A. How is the revenue generated? (Check one)

a. Sale of goods

b. Fee for services performed

c. Other (Explain) _____

B. Who are the customers? (Check all that apply)

a. Currently enrolled students

b. Currently employed faculty or staff

c. Alumni

d. General public

C. Please provide a complete description of the activity. Include a description of all goods and services sold and the reason that these goods and services are being offered for sale (attach additional sheet if necessary).

VI Rents

A. Is this revenue generated from rental of real property?

Yes _____ No _____

Is the amount of rent based on a percentage of income or profits derived from the activity for which the property is rented?

Yes _____ No _____

If yes, describe the rental agreement.

B. Is this revenue generated from rental of property plus equipment?

Yes _____ No _____

If yes, describe the type of property rented, the equipment included, the person or group to whom the property is rented, and the purpose for which the property is rented. Please indicate the percentage of the rent derived from the property vs. the equipment.

C. Does the contract provide for tenant services in connection with the rental?

Yes _____ No _____

If yes, please describe the nature and extent of the services provided to the tenants, the person or group to whom the property is rented, and the purpose for which the property is rented.
