Charles W. Tackett UPD Building

The image shows a building facade that has been severely distorted by digital corruption. The colors are a chaotic mix of bright reds, blues, greens, yellows, and purples, with significant pixelation and horizontal streaking. A semi-transparent blue rectangular box is centered horizontally and vertically, containing the text "Secure Areas in UPD" in white. The overall appearance is that of a corrupted or glitched photograph.

Secure Areas in UPD

Chemistry and Forensic Science Building Rooms 302 and 323

The Woodlands Center Counseling Center
